Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 03/20/2006 has been entered.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 2, 15, 16, and 21, the prior art of records do not show the limitation of a character recognition device/method comprises a specific algorithm "an extraction unit to extract a location from the different algorithm first and second character recognition results where character recognitions from the different algorithm first and second character recognition results do not coincide with each other, wherein if the extracted non-coinciding location has a different number of recognized characters, to output at the extracted non-coinciding location recognized characters based upon either the first character recognition result or the second character recognition result according to a prescribed standard, and wherein if the extracted non-coinciding location has a same number of recognized characters, to output at the extracted non-coinciding location recognized characters with a higher evaluation value according to the first and second character recognition results" and in combination with other limitations.

Art Unit: 2624

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
